Activity Opportunities 2016

Nottinghamshire Scouts Adventure are offering a whole variety of activities during 2016, building on a successful and adventure filled 2015.

Our aim is to provide a diverse range of activities that will supplement your existing programme, as we recognise that outdoor activities are a vital part of Scouting.

This outdoor element is essential to develop our youngsters so please read this brochure, if nothing appeals to you then please pass it on to another leader in your group who may be interested. You will find in this brochure opportunities for both youngsters and for adults.

Nottinghamshire Scouts Adventure organise and run this programme of activities to support Scouting in Nottinghamshire. Some of the activities are led by volunteers and some use outside providers, this is made clear for each activity. However all activities are run to the highest standards, with the safety of participants paramount.

A bursary scheme is available to subsidise the cost of any adult national governing body course, ask at the time of booking.
